MDI SIGNS MEMORANDUM OF UNDERSTANDING WITH SUP DE CO

Back in December 2018 a delegation from Sup de Co made a visit to Banjul to work on possible cooperation with MDI for our mutual advantages.

Sequel to that trip from Sup de Co last year our delegation left for Dakar on July 20, to review the collaborative efforts which eventually end with signing of the first general MOU on the following areas,

- o Exchange of suitably qualified students
 - o Exchange of Professors
 - o Exchange of administrative personnel
 - o Assistance in the development of academic and professional programs
 - o Joint research for mutual publication efforts

The MOU was signed on Tuesday 23rd July 2019
